Business Partner Program

We are truly blessed and thrilled about the support our school receives from the business community and corporations that come along side Valley Stream Christian Academy (VSCA). Because of your generosity VSCA has created the **Business Partner Program (BPP)**. Business Partners are businesses or corporations that provide monetary support and partner with us in achieving our goals for the future. *Proverbs 11:25 says, "A generous person will prosper, and anyone who gives water will receive a flood in return".*

As a result of your participation in the **BPP**, contributions will assist our school in the following areas:

Financial Assistance

Provides tuition assistance to our students—helping families afford something their children can't afford to live without.

Academic Program Development

This component will help with establishing a science lab.

Facilities Enhancements

The school's strategic priority is to provide better equipment and spacious classrooms.

Areas of Greatest Need

This will provide flexibility in the use of donated funds as they will be applied to the area of greatest need within the operating year.

Your investment in the lives of students will help them grow into the future leaders of our community.

To learn more about the benefits of partnering with us, you may contact the Development Team via email at: annualfund@VSCASchool.org
