June 2022

Dear Parents,

Summer is finally here, and we are all looking forward to having fun in the sun! In order to prepare for a new school year, our elementary students will be required to complete the ***Summer Bridges Activities*** the first section for the grade in which they will enter in the fall (see below for the specific book information). These activity books provide excellent review and practice in all subject areas, even Physical Education and can be purchased through Amazon.com or Barnesandnoble.com. By working through 1-2 pages a day, students will complete the first section by the first day of school. Should you have time, encourage your child to complete as much of the rest of the book for extra credit. In addition, students should continue reading each day for 20 minutes to maintain growth in their fluency and comprehension. ***Please refer to our school website for each grade's specific supply lists and all other school information.***

The *Summer Bridges Activities* section 1 must be completed and submitted to your child's classroom teacher by Friday, September 16, 2022.

Thank you for your wonderful support throughout this past school year. We are so proud of the students' accomplishments! We pray God's richest blessings upon you throughout this summer, and we look forward to partnering with you once again in the new school year!

Sincerely in Christ,

Kimberly Schamberg
Elementary Assistant Principal

June 2022

Welcome Kindergarten Families,

Kindergarten is such an exciting time! It's a time for new beginnings, friendships, discoveries, and fun explorations.

My passion is to foster a safe environment, where children not only excel academically, but also in character. My desire is for each child to know that they are beautiful, they can accomplish anything with God by their side, and that God has a specific purpose for their life.

This upcoming school year will establish a strong foundation that your child will build on for the remainder of their educational years. It is a privilege to be a part of such an important period in your child's life!

Throughout the year, your child will focus on developing the following:

- Following step-by-step directions and social skills
- Letter recognition and sounds
- Letter formation and basic sentence structure
- Reading fluency and comprehension
- Problem solving strategies
- Basic math operations
- Bible knowledge and memorization of scripture
- Roles within our community

Attached is a list of supplies that your child will need for the upcoming school year. I hope that you enjoy your summer and I look forward to meeting you in September!

Sincerely,
Your Kindergarten Teacher,
VSCA
