Dear VSCA Families,

As most of you know, in the past few days new restrictions have been placed on individuals traveling to other states. Governor Cuomo's Executive orders 205.2 states: Individuals traveling to another state (for more than 24 hours), which is on the travel advisory list, must obtain a COVID test within 3 days (72 hours) of departure from that state. In addition, they must, upon arrival in NY, quarantine for three days. The individual must then test on day 4 of their quarantine. If both tests come back negative, the individual may exit quarantine early, upon receipt of the second negative test. Those testing positive will be issued isolation orders from the DOH. If the above is not done, then a 14-day quarantine is required. We are trusting that our families will follow these guidelines, including testing and reporting. I apologize for any inconvenience these restrictions may have on your family, especially during the holiday season. We all want to do our best to keep our students and staff safe. We are thankful that VSCA has managed the one case we have had and we attribute this to school staff and students adhering to the guidelines with which we have been presented. I am truly looking forward to the day when we are all back in school face to face. In the meantime, I am thankful that God has not wavered in His love for each of us. He has given us EVERYTHING we need for EVERY challenge that we face.

God's Richest Blessings,

Leslie Fowley, Superintendent
