Dear VSCA Families,

Tomorrow begins our regular online class work.

Please log in to your child's RenWeb/FACTS account and proceed to "Lesson Plans." Each teacher will give instructions for their classes.

We are going slowly in adding the platforms, in order to ensure that each student has all the necessary procedures in place. Each class will have interactive work. In addition, each class will have specific days and times where they will have live classes. If for some reason your child can not access any of the platforms, please email your child's teacher.

I have had the opportunity to speak with my public school administrative colleagues (K-12th principals) and they have confirmed our course of action. At the same time, they have made it clear that this type of learning requires us all to be patient as we may encounter some small hurdles. Please be diligent in keeping your child on task. Have then get up at a set time each day, get dressed, and have a healthy breakfast. Except for the live classes, you can be flexible in the order in which they do their work. Specials such as Art Music, and PE will also be incorporated into their schedule.

If you have any questions or suggestions, please do not hesitate to contact me. God is STILL on the throne; He's not going anywhere!

God Bless,

Leslie Fowley
