Good Morning VSCA Families,

As mentioned in Mrs. Fowley's announcements this morning, Nassau County has extended the date for accepting transportation requests for NASSAU COUNTY RESIDENTS. Please see their communication below:

Extension of Deadline for Requests for Transportation to Nonpublic and Charter Schools

Please note that due to the closure of schools pursuant to the Executive Order(s) issued by the Governor for the COVID-19 crisis and recognizing that such requests need to be incorporated into a school district's budget, the Department directs all public school districts to accept all parental requests for transportation to charter and nonpublic schools submitted on or before April 15, 2020. The Department deems such Executive Order(s) be a reasonable excuse for a delay under Ed. Law 3635.

If you receive transportation from Nassau County for your child, please reach out to your school district's Transportation Office for the required paperwork. Feel free to call our school office, (516) 561-6122, with any questions.

May the God of hope fill you with all joy and peace as you trust in Him... (Romans 15:13).

In Christ,

Sandra Shanhai

Principal
