May 2022

Dear VSCA Families,
Wow! Can you believe that we are now in the 4th quarter? What an amazing year it has been! Spring is in the air in our school and students are busy getting ready for the Art and Musical Festival. Make sure to reserve your spot to see and hear the incredible work our students have done. This year the Iowa Achievement Tests were resumed, and our students worked hard on them. We have also started field trips again and students are excited to participate in activities outside of the school. As the weather warms, the elementary students are excited about raising butterflies soon. I reflect on the verse in Ephesians "Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us." (3:20, NIV) God has provided an incredible year, beyond what we even imagined. I am thankful for his provision and his goodness at watching over our school and allowing us to continue providing academic excellence to all our students.

Blessings

Mrs. Schamberg

Elementary Assistant Principal
