

FOURTH GRADE LETTER AND SUPPLY LIST 2020-2021

Dear Parents & Guardians:

Welcome to the **4th** grade! I'm looking forward to the journey ahead.

Our goal this year is to become independent, analytical thinkers as students continue to think more abstractly and out of the book.

Please encourage your children to read this summer as well as practice their multiplication facts. These math facts are the foundation for all areas in math for Fourth Grade and readers are leaders 😊

I pray you have a wonderful and restful summer. I can't wait to meet you in September! .

By His Grace,

Your 4th Grade Teacher
