

June 2019

Dear future 1st graders,

Welcome to the first grade!

I am so excited for you to be in first grade next year! It will be a fun and exciting year and I want you all to be as ready as you can be. Please make sure to read every day and fill out your reading logs. You will also be receiving information about the Summer Bridges work for the summer. You can visit your local library, and join in on events during the summer, like summer reading programs. Try to visit places with your families, read, spend time with God and use your summer wisely. Make sure to also relax and enjoy your summer, so you are ready to come back to school!

I look forward to seeing you all in September.

Sincerely,

Your 1st Grade Teacher
