June 2019

Dear Parents,

Summer is here, and we are all looking forward to having fun in the sun! The summer is also a time when a phenomenon occurs that I like to call The Great Brain Drain. Over the summer weeks it is easy for students to waver in their sharpness on many important skills in ELA and Mathematics. In order to prepare for a new school year, our elementary students will be required to complete the *Summer Bridges Activities* **the first section** for their specific grades (see below for the specific book information for the grade your child will enter in the fall). These activity books provide excellent review and practice in all subject areas, even Physical Education and can be purchased through Amazon.com or Barnesandnoble.com. By working through 1-2 pages a day, students will complete **the first section** by the first day of school. Should you have time, encourage your child to complete as much of the rest of the book for extra credit. In addition students must continue reading each day for 20 minutes to maintain growth in their fluency and comprehension. *Please refer to our school website for each grade's specific reading activities, supply lists, and all other school information.*

**The *Summer Bridges Activities* section 1 and reading assignments must be completed and submitted to your child's classroom teacher by Friday, September 13, 2019.**

Thank you for your wonderful support throughout this past school year. We are so proud of the students' accomplishments! We pray God's richest blessings upon you throughout this summer, and we look forward to partnering with you once again in the new school year!

Sincerely in Christ,

Aimee R. Adams  
Elementary Assistant Principal

Entering grade:
