

June 2019

Welcome Families,

Kindergarten is such an exciting time! This is a time for new beginnings, building new friendships, exploring new things and making new discoveries. My passion is to foster a safe environment, where children not only excel academically, but also in character. My desire is for each child to know that they are beautiful and can accomplish anything with God by their side and that God has a specific purpose for their life. This upcoming school year will build a strong foundation that your child will build on for the remainder of their educational years. It is a privilege to be a part of such an important period in your child's life!

Throughout the year, your child will focus on developing the following:

- Bible knowledge and memorization of scripture
- Letter recognition and sounds
- Letter formation and basic sentence structure
- Reading fluency and comprehension
- Problem Solving strategies
- Basic math operations
- Roles within our community
- Following step-by-step directions and social skills

Attached is a list of supplies that your child will need for the upcoming school year. I hope that you enjoy your summer and I look forward to meeting you in September! Please feel free to contact me with any questions or concerns. I look forward to our partnership.

Sincerely,

Mrs. Gulabchand

Your Kindergarten teacher
