

June 2020

Dear Future Third Graders,

Welcome to third grade! I am looking forward to being your teacher this coming school year. We will be learning new and exciting things. I am excited about getting to know each one of you and encouraging you along your third grade journey. Here are two *OPTIONAL* assignments for you to do over the summer. Although they are optional, it would be helpful in keeping your brain active for the upcoming school year 😊.

The first assignment is to read daily. Remember, readers are leaders 😊. Your local library is full of books. You are sure to find many that interest you. See if your library has a summer reading program in which you can participate. Check out your local library's website or Amazon for books.

The second optional assignment is the *Summer Bridges Activities book, Grades 2-3*. You can purchase this book at your local bookstore or at Amazon. There is even a suggested summer reading list in the front of the book.

I hope you enjoy your summer vacation with family and friends. I'll see you in September.

God Bless,

Ms. Moore

***P.S.-Please do not forget your school supplies for the first day of school!***

Third Grade Supply
