

Valley Stream Christian Academy
2021-2022 School Year
Kindergarten

June 2021

Welcome Kindergarten Families,

Kindergarten is such an exciting time! It's a time for new beginnings, friendships, discoveries, and fun explorations.

My passion is to foster a safe environment, where children not only excel academically, but also in character. My desire is for each child to know that they are beautiful, they can accomplish anything with God by their side, and that God has a specific purpose for their life.

This upcoming school year will establish a strong foundation that your child will build on for the remainder of their educational years. It is a privilege to be a part of such an important period in your child's life!

Throughout the year, your child will focus on developing the following:

- Following step-by-step directions and social skills
- Letter recognition and sounds
- Letter formation and basic sentence structure
- Reading fluency and comprehension
- Problem solving strategies
- Basic math operations
- Bible knowledge and memorization of scripture
- Roles within our community

Attached is a list of supplies that your child will need for the upcoming school year. I hope that you enjoy your summer and I look forward to meeting you in September!

Sincerely,
Mrs. Gulabchand (Mrs. G)
Kindergarten Teacher, VSCA
