

June 2021

Dear Future Second Graders,

Welcome to second grade! I am looking forward to getting to know each one of you! Second grade is an exciting year, and we will learn many new and wonderful things. I am excited for next year and I would love for you to be ready for second grade. Below you will find two things that I would like you to do over the summer.

The first thing that I need you to do is to read every day. Please visit your local library and take out several books that interest you. Many libraries also have summer reading programs that you can participate in.

The second thing that I need you to do is your summer assignment. You will need to purchase the *Summer Bridge Activities* book, Grades 1 to 2. You need to complete Section 1 in the book before school starts. If you would like to work on Sections 2 and 3, I will give you extra credit on your summer assignment grade. Please bring your *Summer Bridge Activities* book on the first day of school.

Finally, enjoy your summer! Have fun spending time with your family and friends. Don't forget to spend time with Jesus also!

I look forward to seeing you and your family in September!

Sincerely,
Your Second Grade Teacher

P.S.-Don't forget to bring all of your school supplies on the first day of school

2nd Grade Supply List
