21/22 MS HS History Supply List

Technology- Students are required to bring their technology to class daily (NO CELL PHONES) as we will be using Google Classroom to organize worksheets, study guides, lessons and resources.

Textbooks- unless provided, textbooks will be accessed online and must be available on teachers request.

Note Taking- unless authorized by the classroom teacher, there will be no note taking on devices. A dedicated notebook, pens/pencils will be required for all history classes.

Organization- though most worksheets and study guides will be posted in Google Classroom, a dedicated folder will be needed to organize any worksheets distributed in class.
